About us

ACS Swan Express Print is a family owned business. A comprehensive range of equipment enables us to print, fold & collate in-house and because we are environmentally aware we recycle paper, ink cartridges and press plates wherever possible. Many of our clients have been referred to us by existing satisfied customers... testimony to the quality of our work.

Digital

Ideal for short to medium print runs. Our digital press can print on card up to 300gsm, gloss or matt and some specialty papers. The following list is just a sample of what it can do.

- A4 & A3+ Posters
- Business cards
- Brochures
- CD covers
- Folder inserts
- Invitations
- Newsletters
- Notepads
- Numbered event cards
- Raffle tickets
- Variable data

Flexographic

Our label press is best suited to small to large print runs. A wide range of stickers/labels on rolls or sheets can be produced on vinyl or paper adhesive, including thermal grade. The labels can be diecut and set up for roll orientation.

- Wine labels
- Chemical labels
- Bumper stickers
- Packaging labels
- Packaging tape

Offset

Our offset presses are used for larger print runs or for jobs that require UV (outdoor) inks. They can print on a variety of card, gloss or matt, recycled or uncoated and are also used for carbonless docket books, perforating and numbering.

- Advertising/Posters
- Brochures
- Bumper stickers
- Business cards
- Calendars
- Catalogues
- Desk Pads
- Flyers
- Manuals
- NCR (carbonless) books
- Notepads
- Presentation folders
- Signs
- Stationery
- Stickers & labels

Wide Format Printing

Our wide format printer is good for large sizes where only one or two items are required. It can also produce vinyl-cut adhesive for car decals and signage.
